**New Session Orientation details will be communicated in the month of February 2017.**

It has been observed that some children are arriving late to school in spite of repeated requests. This is to reiterate that the reporting time for **Class 6 to Class 12 & IP is not later than 7.35 a.m. Class Nursery to Class 5 is not later than 8:45 a.m.**

Your support will help us to inculcate discipline early in their life and subsequently they will benefit more from their school day.

As always, we thank you for your support and cooperation.

**With regards,**
